Tax ID 95-4405705

Sierra Youth Sports is a non-profit organization that is run solely by volunteers. Our league enables children ages 3-14 to compete in a game they love. We have a committed Board and volunteer coaches that are determined to bring out the best in our players, not only in baseball and softball, but in character and team spirit that will follow them throughout their lives.

Sierra Youth Sports has a great group of parents & volunteers who devote countless hours in making this league a success. Each year, we rely on registration, sponsorships and donations that are vital to the existence and success of this league. It is only through these voluntary hours and generous donations that we continue to thrive.

Your sponsorship in our league makes a difference. As a sponsor your tax-deductible donation helps support the maintenance of our sports facilities as well as team uniforms and equipment. Thank you for your time and consideration as we ask for your support. For additional information, please contact Sara Tate at (661) 860-9820.

Sincerely,  
Sara Tate
